

### 2 Directors License Agreement

The following Terms of Service ("TOS") is a legal agreement between you or the employer or other person on whose behalf you and 2 Directors enter into this Agreement and sets out the rights and responsibilities with respect to any Content that you have licensed. By entering this TOS, you verify that your country of residence is identical to your accounting address.

Please review this TOS again when buying any Content licenses. 2 Directors reserves the right to amend the TOS in its own discretion at any time. 2 Directors will make reasonable efforts to notify you of any such change before such changes become effective. Such notice may be given by email to your 2 Directors account's email address on file, an announcement on this page, your login page, and/or other means. You agree to be bound by the TOS as amended by licensing Content following any such modifications.

#### Standard License

By default, all of our Content come with a Standard License.

The Standard License requires various uses of the content, in different projects. Your rights to use the content do not expire or stop, but you do not have exclusive control to it either, because anyone can buy the same content and use it in their projects.

#### Prohibited Use:

2 Directors hereby grants you a non-exclusive, non-transferable right to use, modify (except as expressly prohibited herein) and reproduce Visual Content worldwide, in perpetuity, as expressly permitted by the applicable license and subject to the limitations set forth herein:

**Violation of law** You may not use our products for any purpose which is illegal or not authorized. You must not breach any laws in your jurisdiction when using our products.

**Trademark and Copyrights** You are not permitted to use content as a trademark logo (or part of it). You may use it in a logo which is not going to be labelled. You can upgrade to extended or team licenses at any time.

**Commercial Use** You cannot supply the files to third parties or a team for which you would need a "Extended license."

**Extended License** If you need access to your downloaded content from multiple members of your team you need our extended license. You can store our content on a shared drive with our team license, so all of your colleagues can access them and use them for multiple clients in different projects.

#### AN Extended LICENSE grants you the right to use content:

- In any manner permitted under a Standard License, without any limitation on the number of reproductions, impressions, or budget;
- Content (and without requiring further creative or functional elements) for decorative purposes in a commercial space owned by you or your client, and not for sale.
- Incorporated as elements of digital templates for sale or distribution.
